Well Done Year 6!

Well done to all of our children in Year 6 for completing their SATs tests this week! We are very proud of all of you.

Attendance

This week our attendance has been 96.6%. The best attendance was 99.7% from both Squirrels and Foxes classes. Well done!

PFA Volunteers

Our PFA team work extremely hard throughout the year to put on various events for the children to enjoy, they raise vital funds which pay for equipment and reduce the cost of many activities & trips to parents.

If several people make a small contribution of their time it really makes a big difference and means that events can go ahead. This year the PFA are really struggling with help and unless they have more volunteers it may mean that the summer fair won't take place. This will also affect our fairs and discos in the future.

If you feel that you are able to make a contribution, perhaps shopping for the event beforehand, helping to set up the event on the day or running a stall at the event, please call at the school office and give your contact details.

Dinner Money & Music Fees

We would ask that any outstanding dinner money is settled by the end of next week, payments can be brought into the office or paid online using SIMS Agora. The last installment of music fees is also due by next Friday. If your child does not want to continue with music lessons in the next academic year it would be helpful if you could let the office know as soon as possible as we will be offering music lesson spaces very soon. Thank you.

Vegetarian Showcase

Thank you to all the families, pupils and friends who came along to support our vegetarian showcase event last week. The food was delicious and we are very grateful to Mrs Headland and her team for all their hard work in creating such wonderful vegetarian food for us to enjoy. We hope that those of you who came were inspired to explore the idea of a vegetarian diet or perhaps explore a meat free day during the week. If you weren't able to make it to the event we have some recipe cards available in the office and there are some great ideas on the National Vegetarian Society

website. <https://www.nationalvegetarianweek.org/recipes/>

Playground Equipment

Please note that it is not permitted for playground equipment to be used by children either before or after school. Parents and children should clear the playground as soon as possible at the end of the day. Thank you.

Please remember we are always keen to hear of your concerns as well as your positive feedback. If you would like to discuss any issues with Mrs Wilson or your child's teacher, please make an appointment at the school office.
