### Lates

If your child is late to school, they must come to the office with a parent/carer to get their mark. If children arrive later than 9:15 am, they will receive an unauthorised mark for the morning.

### IMPORTANT

We have had further concerns and complaints from local residents regarding traffic in the morning. As well as cars consistently being parked illegally and inconsiderately, children have been observed in dangerous conditions, often being left to cross the road unsupervised at very busy times of the day. Please can I ask you to ensure children are supervised and in the case of older children coming to school alone, that they have good road safety knowledge and know where it is safe to cross the road. As we have no parking on site, when accompanying children, please walk to school whenever possible, or make use of the car park at Oak Road playing fields. It is essential that the area around school is kept safe and that consideration is shown to local residents. Thank you for your consideration in this matter.

**The school day starts at 8:50 am, however doors open at 8:45 am and on a wet day 8:40 am.**

Christian value of the week: Hope
