September 2018

Dear Parent/ Carer,

Our school provides a milk scheme that is available to all of our pupils and we would like to invite you to register your child. School milk is free for all under-fives and is subsidised for all pupils aged five and over at a cost of 23p per day.

Each pupil that registers with Cool Milk and places an order will receive a carton of semi skimmed milk, which is delivered fresh and chilled to the classroom. Orders can be placed on a week by week basis, with no commitment. Their school milk will not only provide them with essential nutrients but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused.

### **How to register**
